

No Place Like Home Challenge – Final Report Zoom Huddle Questions

Please note, these sample questions are provided for you reference. Questions are subject to change.

If you receive a grant award from our No Place Like Home Challenge, your final report will be a Zoom Huddle, scheduled for mid-July, 2021. Maddie's Fund will reach out to all the grantees once the prizes have been awarded to schedule the Huddle.

We will be asking the following questions during the Zoom Huddle:

1. How many animals were returned to home from April 1 – June 30, 2021?
 - Please share the number of dogs, cats and the total.
2. What are your Return to Home rates for April 1 – June 30, 2021? To find this rate, please use the formula **number of animals returned to owner divided by number of stray animals in**.
 - Please share the return rate for dogs, cats and total return rate.
 - Did you have a goal for your Return to Home program, and if so, did you reach it?
3. Do the numbers for Questions 1 and 2 include underage kittens/puppies or cats in your TNR/SNR/RTF programs? If so, how many?
4. Have you continued your new Return to Home practice(s)?
5. Which practices were most effective?
6. Please share a brief favorite story from April 1 – June 30, 2021.
